Sales & Profit Summary Report

Total Sum of Sales:
1.97K

Category-wise Summary:

Category	Sum of Sales	Sum of Profit
Furniture	1,951.48	-121.54
Office Supplies	14.62	6.87
Total	1,966.10	-114.67

Key Visual Insights:

- Sum of Sales by Region:
South and West regions are visualized on a map. The Central region shows high sales but comparatively low profit, suggesting higher operating costs.
- Sum of Sales by Category:
Furniture contributes the most to sales.
- Sum of Profit by Category:
Office Supplies are the only category with positive profit.
- Sum of Discount vs. Profit:
A scatter plot shows a negative correlation between discounts and profit.
- Sales Trend by Year:
Sales show a slight increase from 2015 to 2016.
- Sales by Product Name:
Products like "Printer", "Iron", and "John D." lead in sales.
